REASONS FOR ALLOWANCE

Claims 56-67 are hereby rejoined and fully examined for patentability under 37 CFR 1.104. Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the Office action mailed on 4/17/02 is hereby withdrawn.

Claims 41-50 and 52-78 are allowed.

The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was the method for forming gas-enriched fluid into a mixing chamber such that the fluid enters the chamber and flows vortically comprising the step of delivering a first fluid in combination with the other elements (or steps) in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
